Important Notice

1. PTZApp2 is a free software and controlling the PTZ Camera, adjusting the camera's image quality, diagnosing operating status, Upgrade firmware automatically or manually, and viewing live video form the camera.
2. Pairs with EZManager 2 for Remote Grouping Management:
To simplify device management, you can link PTZApp 2 with EZManager 2 (only Windows version). This system categorizes AVer USB cameras (CAM, VB, and VC series) and clearly displays each device's status to make managing your network easy.

System Requirements
