AVerCharge C36i
36 Device Intelligent Charging Cart

Adjustable Slot Design
Whether needing to store and charge 26 or 36 devices, C36i gives you an open size option to fit just about any size Laptop, Chromebook, or Tablet.

Intelligent Charging System
C36i provides intelligent charging with the ability to automatically shut off once devices are fully charged and can help conserve energy consumption or prevent any circuit overload!

Accessible and Accommodating
With two slide-out shelves and a spacious slot design, C36i provides easy device access for up to 36 devices.

Revolutionary Cable Management
Experience simple device management with less slip-n-slide using C36i’s cutting-edge cable technology to secure your cords from slipping out of place.

Secure and Durable
C36i’s combination of a sturdy design, 3-point steel locking mechanism, and 5" medical grade casters provide a safe and smooth mobile experience down any hallway or aisle.
