

The background of the entire page is a photograph of four business professionals in a meeting. From left to right: a man with a beard in a blue shirt, a woman with short blonde hair in a tan blazer, a man with glasses and a beard in a dark blue shirt and tie, and a woman with curly dark hair in a light blue shirt who is smiling and gesturing with her hands. They are seated around a white table with coffee cups and papers. Large windows in the background let in bright light.

Our Try & Buy Program is a full 30-day evaluation of any AVer product with ZERO risks. This allows you to experience the superior performance of AVer products.

We ship out a brand new unit for you to try, if the product fits your needs then we will work with a partner to help you purchase our product. If not, we provide return shipping at no cost.

Room Types

Home Office

A home office is a private workspace in a residence used for remote work, hybrid schedules, or self-employment. It can also serve as a study or project/hobby space.

A30, CAM130, VB130

Huddle Room

A huddle room is a small and private meeting area seating **1-4 people**. Depending on its size and needs, an organization may have several huddle rooms.

A30, CAM130, VB130, VB342 Pro2, FONE540

Small Conference

Small sized collaboration spaces are larger than huddle spaces and can accommodate **4-7 people**. These are corner offices, study spaces, meeting rooms or larger home offices.

CAM130, VB130, VB342 Pro, FONE540

Medium Conference

Medium sized conference rooms are your standard conference room size built to accommodate **7-12 people**. This is your typical executive conference room.

CAM520 Pro2, CAM520 Pro3, CAM570, VC520 Pro2, VC520 Pro3, VB342 Pro, VB350, FONE540

Large Conference

Large conference rooms are equipped with teleconferencing and collaboration technologies. They can accommodate **12-20 people**. Most offices only have one of these spaces. This is the space where meetings including all employees happen.
