

# AVerCharge S42i+

## 42 Device Intelligent Charging Cart

### Fully Adjustable Design

Uniquely customize S42i+ charging cart to create the best classroom environment that optimizes student learning. Manage and charge up to 42 Chromebooks, laptops, and tablet devices.

### More Intuitive System

When devices are fully charged, S42i+'s new adaptive intelligent charging system intuitively knows when to stop charging and sends more power to external outlets allowing use for additional technology such as a document camera, printer, or any other fun teaching tool.

### Convertible Functionality

Combine intuitive technology with a smooth surface and slide-out shelves to create the ultimate platform to integrate all classroom activities! Use an AVer document camera with S42i+ as a mobile surface to freely teach and showcase student work.

### Simple Configuration

The easiest way to have everything in its place is to have a place for everything. Each S42i+ divider is specially designed with a cable holder and cord lock to keep cables secured and organized.

### Designed for Maximum Protection

Whether protecting devices from falling out during transportation or from theft, S42i+ provides optimum security with its front and rear 3-point locking doors.\* Classrooms also have the option to add on an additional padlock.\*

\*Keys are included for front and rear door locks.  
\*Additional padlock is not included.

## Specifications

<b>Device Capacity</b>	42	<b>Supported Devices</b>	Laptop/Chromebook/Tablets up to 14"
