How to...

![AVer logo]

Setup Screen Share on AVer's interactive flat panel with an iPhone/iPad

AVer IFP

1
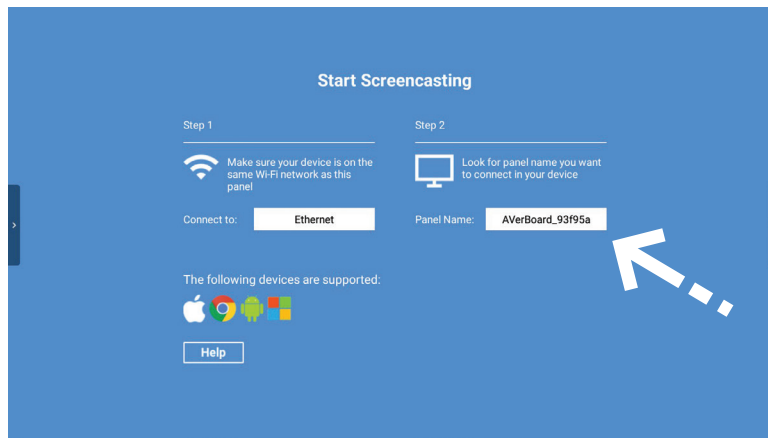

Setup the Wi-Fi network connection.

2

Make sure Aver's interactive flat panel and the sharing device are on the same network.

3

Launch the **Screen Share** app.

Screen Share

iPhone / iPad

1

Under Control Center, tap **AirPlay** Mirroring.

2

Select **AVerBoard** from the list.
