### Beyond the classroom

Create lessons on the go with U50+ FlexArm USB powered document camera anywhere, anytime. It displays images vividly at 8MP with 16x digital zoom. Take advantage of the U50+'s ultra portable design anywhere you teach.

#### Plug and play

The U50+ is a convenient and user-friendly device that runs on USB power and only requires a single cable for both power and connectivity. It has been designed to make your everyday tasks easier.

#### Clear quality display

Engage your students with the U50+'s impressive 8MP camera and 16x Zoom capabilities. Effortlessly highlight every detail in your lesson.

#### Picture perfect

Discover how the U50+ can turn geography and math into an exciting adventure! With its high-quality image and video capabilities, you can capture stunning visuals at 60fps and 1080p (HD). Elevate your learning experience with this versatile tool.

#### Flexible design

Experience intuitive design and functionality with the U50+. This versatile device allows you to effortlessly adjust its angle for teaching or conveniently store it in even the most compact spaces. Its lightweight construction and portable design make it a hassle-free tool to use.

#### Built-in adjustable LED lights

Illuminate your teaching with the U50+! This innovative document camera is equipped with a built-in LED light that can be adjusted to provide perfect illumination for any object. With the U50+, you'll never have to teach in the dark again.
