Ceiling installation

1. Secure the mount bracket on the ceiling.
Screw: 4 screws, M4 x 10mm(Not Included in the package)

2. Install the mount bracket on the camera.
Screw: 3 screw , 1/4"-20 L=6.5mm(Included in the package)

3. Slide the mount bracket with the camera into the mount bracket which secured on the ceiling.

4. Secure the camera with screws.
Screw: 3 screws, M3 x 6mm(Included in the package)

[Note] Connects necessary cables after sliding the camera into the mount bracket.
